HOLIDAY STROLL

Bring on the holiday cheer!

Kick off the festivities at the “ole Vienna Hardware Store,” where you can pick up a warm apple cider and begin exploring the holiday booths. Enjoy shopping for Christmas bows, festive beverages, baked goods, cakes, chocolates, and pralines. Create a hand-print ornament, or browse hand-painted shells, glass art, honey, and other unique artwork. Discover items such as pocketbooks, grapevine wreaths, and Georgia Grown products.

Then continue the Holiday Stroll downtown with a map of participating businesses, shopping and collecting goodies from each location.

**Bring a letter for
Santa
—or write one on-site
—
because his special
mailbox will be there
for the event.**
